

Laredo Update 8.5.4 Print format update

Strafford County will be receiving an update to their Laredo system. What this means for our Laredo users is that you will need to re-download Laredo to install the latest version. When opening an older version of Laredo, you will receive a message that asks you to download the latest version. The new version is 8.5.4

If you have any questions please don't hesitate to call Fidlar Support at 563-345-1283.

To re-download Laredo -

- Go to <https://www.fidlar.com/Laredo.aspx>
- Select **NEW HAMPSHIRE** from the **Choose A State** drop down list
- Select **Strafford** from the **Choose a County** drop down list
- Click the **DOWNLOAD** button
- Once you click on the setup.exe file that is downloaded you will see this prompt:

- Select **Yes** in the prompt above
- Click through the Download Wizard until **FINISH**

If you have any issues, you can view this [Laredo Install guide](#) or contact our Support Team below.
